LIFE GROUP DISCUSSION:

- 1. Have you seen people (perhaps yourself!) who were not seeking righteousness, and yet God worked to bring that person to faith?
- 2. Read Romans 10:1-5. Do you believe that your church has the possibility of "losing its way" (see the second section of the sermon notes)? Hint: If you answer "No" you may be missing the point.
- 3. Do you ever find yourself making excuses for "good people" who have rejected the Gospel message? How do Paul's words about his own people challenge this thinking?
- 4. Read Romans 10:6-13. Have you realized that faith in Christ means the end of any reliance on law-keeping for your security? What difference does this make to you?
- 5. In an earlier part of Paul's letter (Romans 3:22) the words "there is no difference" had a grim sound, because they convicted Jew and Gentile together of sin against God. How do these same words now have a joyful sound (verses 11-13)?
- 6. Read Romans 10:14-21. What does this section reveal about the reasons for Israel's unbelief?
- 7. Do you count it a privilege to be a part of the way that God saves people? How does that motivate you to "preach"?
