

## HAVE WE BECOME SECULAR SAINTS?

SEPTEMBER 7, 2025 | LUKE 9:46-56

This is a story of the disciples' \_\_\_\_\_,  
\_\_\_\_\_, and \_\_\_\_\_; yet there is  
encouragement here \_\_\_\_\_.

Why? Because this story also tells us that  
the Lord is willing to teach, mold, and use  
\_\_\_\_\_, \_\_\_\_\_ individuals.

### THE PLAGUE OF FAITHLESS ATTEMPTS AT MINISTRY

MARK 9:33-41; 2 TIMOTHY 3:5; JAMES 4:1-10

#### THREE COMMON PROBLEMS THE DISCIPLES WERE EXPERIENCING

- ① The disciples suffered from a lack of \_\_\_\_\_.  
SYMPTOM SIN = \_\_\_\_\_.  
ROOT SIN = \_\_\_\_\_.
- ② The disciples suffered from a lack of \_\_\_\_\_.  
SYMPTOM SIN = \_\_\_\_\_.  
ROOT SIN = \_\_\_\_\_.

- ③ They suffered from a lack of \_\_\_\_\_.  
SYMPTOM SIN = \_\_\_\_\_.  
ROOT SIN = \_\_\_\_\_.

### UNDERLYING PRINCIPLES AND APPLICATION

- ① Just as there is no \_\_\_\_\_ that is not  
common to man, neither is there any \_\_\_\_\_ that is  
not also common to man. 1 CORINTHIANS 10:13
- ② Sin can often have a pious veneer, a \_\_\_\_\_  
\_\_\_\_\_, which makes the sin appear  
even \_\_\_\_\_. LUKE 18:9-14
- ③ Some sin is symptomatic, that is, \_\_\_\_\_ in  
other sin, which must be \_\_\_\_\_ and dealt  
with if we are to be freed of the symptom sin.

The \_\_\_\_\_ to the sin that plagued the  
disciples, the same sin that continues to plague us,  
is found in daily renewing our \_\_\_\_\_ in the  
simple message of the \_\_\_\_\_!
